Key Skills

- Effective Communication
- Resilience under pressure
- Problem Solving
- Software Design and Development
- Software Engineering Methods
- Fundamental Database Skills

Objective

Currently studying at Edinburgh Napier University pursuing a Bachelor of Science Degree in Computer Science, I am a 3rd year student looking to gain hands-on experience with in-person or online work. Offering strong interpersonal and communication skills with experience in customer service and teamwork, I am knowledgeable about maintaining a positive attitude and delivering high-quality service in fast-paced environments. Ready to use and develop problem-solving, time management, and collaboration skills in a part-time or placement role within computer science.

Education

09/2023 – Present

Edinburgh Napier University • Edinburgh • BCS Computer Science.

- Have completed various modules in computer science, including artificial intelligence, data analytics & database systems, software engineering and advanced web technologies.
- I have recently broadened my skills, undertaking modules in data visualisation, and an industry-level computer vision group project.
- I have previously worked as a team using industry-style methods like version controls, continuous integration and automations to complete a group project within deadlines set out for us.

08/2019 – 06/2023

Beeslack Community Highschool • Penicuk

- SQA Advanced Higher: Computer Science & Mathematics
- SQA Higher: Computer Science, English, Mathematics, Chemistry and Physics

Work History

18/05/2026 – 21/08/2026

Student Intern • Edinburgh Napier University – Merchiston, Edinburgh

- Tasked with design and GUI development for a predictive deep learning model.
- Expanding my interpersonal soft skills as well as gaining hand on experience in the Computer Science field.
- Learning and/or developing the core skills:
 - Python Programming Language
 - Machine Learning and Predictive Modelling
 - MATLAB coding

10/2021 – Present – Currently off rota as per above.

Crew Member • McDonalds – Loanhead, Midlothian

- Established professional relationships with peers to improve teamwork and productivity.
- Flexibly took on various roles to support workflow.
- Worked fast and efficiently to meet customer needs.

- Collaborated with team members to maintain a friendly work environment that promotes productivity and growth.

Extracurricular

08/2022 & 08/2023

Senior Leader Volunteer • HEROS Sports Leadership • Belfast

- Developed leadership skills working with Ex-Professional ice hockey players to coach, train and mentor disadvantaged young people on and off the ice.
